

2024 Green Training Fund Application

Form Preview

Introduction and Eligibility

* indicates a required field

Green Training Fund

Banyule City Council's Green Training Fund is available for Banyule's environmental and community volunteers, teachers, and First Nations community members to access capacity building training, conferences, and short courses.

Council will fund up to 80% of the training cost, the maximum grant available is \$1500.

The grants are intended to support the environmental aims detailed in our Council Plan.

Successful projects must align with Council's priority theme: **Our Sustainable Environment.**

The strategies that support this priority theme aim to:

- Protect and enhance our natural environment, providing connected habitat for diverse flora and fauna.
- Minimise stormwater pollution and the impacts of flooding, and maximise Council's water conservation to transition to a water sensitive City.
- Demonstrate leadership in addressing climate change and take action to become a carbon neutral Council by 2028 and City by 2040.
- Empower and educate the community and businesses to take actions to achieve positive environmental and climate change outcomes.
- Avoid waste generation and encourage and support the community to achieve zero waste to landfill by 2030. 6. Engage and work with the community and partners to protect, enhance and experience the environment.
- Protect, increase and maintain Banyule's urban forest population to provide a greener City for enhanced liveability.
- Explore and support opportunities for urban farming and community gardens.

The training should support the group in reaching their environmental and community objectives, in accordance with the strategic priorities outlined in Our Sustainable Environment. It is not mandatory for the training to have a direct alignment with environmental themes.

The training may involve broader skill sets and capacities that contribute to overall environmental and community outcomes such as digital marketing, facilitation, leadership, volunteer management, governance etc.

Eligibility Checklist

To be eligible for a Banyule Green Training Fund Grant, applicants must:

- Be at least 18 years old.
- Work, live or provide significant evidence of engagement in the Banyule community.
- Applicants should be able to demonstrate their interest and involvement in environmental issues and how the training will benefit their community.
